

## Summer Reinforcement Work

For incoming Kindergarteners

**A letter from your future Kindergarten teachers**

Welcome to **Kindergarten!** Here are a variety of activities that will help your child get ready for their big Kindergarten

year! Take your time spreading these activities across the summer. Revisit activities that your student may not be strong in. Lots of practice over the summer will make for a stronger start to the school year. Please return completed work to us in August. We hope you enjoy your summer and can not wait to meet you in the fall!

### Reading

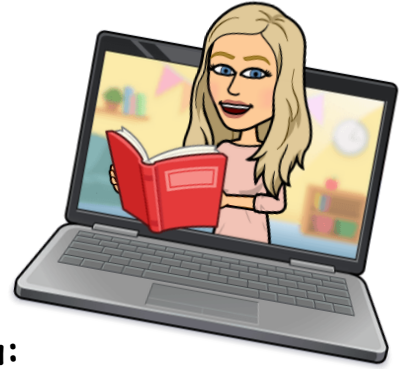

Saint Anthony Catholic School believes that summer reading is a valuable experience for all students and is an extension of our educational program. Please use the reading logs to track how many books your student has read.

### Math

Please print the math calendars attached and color the boxes as your student completes it. If your child has difficulty in any area, any additional support you give them is beneficial. There is a list of websites below for your reference.

Practice math and reading skills while playing:

- [www.starfall.com](http://www.starfall.com)
- [www.abcya.com](http://www.abcya.com)
- [www.funbrain.com](http://www.funbrain.com)
- [www.highlightkids.com](http://www.highlightkids.com)
- [www.readworks.org](http://www.readworks.org)

Have some of your favorite stories read to you:

- [www.storylineonline.net](http://www.storylineonline.net)

## Work Packet

We have also included a few additional worksheets to help your student continue working on their early literacy, math, and fine motor skills.

## Play

Remember, play is also very important for your child to learn! It is encouraged for your child to play this summer- especially away from screens. Encourage your child to visit the park or playground, ride a bike, draw pictures, build towers with blocks, create with playdoh and pretend play!

We are looking forward to meeting each and everyone of you next year and can not wait to hear about all of the fun adventures you take this summer!

Love,  
The Kindergarten Team
